

Eremos Presents

The Modern Pilgrim

Sunday 3 March, 3pm-5pm

Venue: Paddington RSL, 220-232 Oxford St, Paddington

Secular pilgrims and people of many spiritual traditions are travelling the world to pay respect to people, gods and places of spiritual or cultural significance. Digital communication allows us to follow pilgrims as they record their inner journeys and experiences. Whether you believe this negates or expands the meaning of pilgrimage, there is no doubt of its popularity as a contemporary practice.

What is the meaning of pilgrimage in an age of mass tourism?

Join three modern pilgrims, acclaimed authors: Rosamund Burton (*Castles, Follies and Four-Leaf Clovers*), Sharon Snir (*The Little Book of Everyday Miracles*), and Walter Mason (*Destination Saigon*) as they discuss the relevance of pilgrimage, its history and its meaning in our globalised world.
